

Accounting and Finance

Transcript

Voice-over

Open the door to a lucrative career in the world of accounting and finance. Our department is one of the UK's largest. We enjoy an excellent reputation, just a stone's throw from one of the world's largest financial centres, Canary Wharf.

Get a head start on professional qualifications in accountancy, financial services or insurance. Combine industry expertise with practical business skills. You will be a valuable commodity when you graduate.

Mig Farinas-Almeida

Programme Leader

BA Hons, Accounting and Finance

"We have a BA Accounting and Finance here at the University of Greenwich, which is our number one degree with the most students on and it is professionally focused towards exemptions from the ACCA, CIMA and the ICAW."

Sama El-Nasser

Accounting and Finance BA Hons Student

"One of the benefits of studying at the University of Greenwich is that you are in the centre of one of the world's financial districts. It is just across the river which provides great internships, work experience and placements for students."

Izette Kluever

Programme Leader

MSc Accounting and Finance Programmes

We have got a postgraduate offering that is called the MSc Accounting and Finance suite of programmes. Within this offering we actually have four, quite diverse, areas to specialise in, so you can either go into accounting and finance and stay on the accounting side of things, financial management, international banking and finance and lastly, there is finance and investment."

Ahmad Shoaib Sabir

International Banking and Finance MSc Student

"This programme gives an insight into financial systems around the world and universal banking models which is very important."

Mig Farinas-Almeida

Programme Leader

BA Hons, Accounting and Finance

"We have links across the water with businesses in the city, Northern Trust, IBM and we are linking with them to provide mentoring services for our students."

Ahmad Shoaib Sabir

International Banking and Finance MSc Student

"The lecturers are very, very professional individuals, most of them worked with the banking sectors in the UK."

Izette Kluever

Programme Leader

MSc Accounting and Finance Programmes

We are very innovative. If I just think about the training technique scores, these students sit in a lab and they get access to a live trading platform, they have access to live market feeds and they are lectured by two active traders from industry."

Mig Farinas-Almeida

Programme Leader

BA Hons, Accounting and Finance

"A student should expect to get employment in graduate training programmes, particularly accounting and finance trainees. They should also be looking for any position in accounting and finance, whether they are working for a chartered certified accountancy firm or working for a business as an accountant."

Ahmad Shoaib Sabir

International Banking and Finance MSc Student

"I personally found it very, very useful getting the whole background about the banks and how it works and what the challenges are, what to expect from economic crisis around the world and in the UK."

Izette Kluever

Programme Leader

MSc Accounting and Finance Programmes

Even though we are teaching, we are actually encouraged to keep on researching so we go to conferences and we research about what is current in the field so we make sure that our students get the most current and up-to-date information."

Ahmad Shoaib Sabir

International Banking and Finance MSc Student

“All of these MSc courses are very professional. I would recommend them to anyone in the UK and abroad.”

Izette Kluever

Programme Leader

MSc Accounting and Finance Programmes

“I think the whole set-up, the access to journals, the type of people you get taught by, it just makes for a win-win situation.”
