It's time to see the unexpected. A real contrast to the city of London, our Avery Hill Campus. It has it all. A green oasis, 86 acres of beautiful parkland, to use, whenever you want. And all just a short bus ride from everything London has to offer.

The contrast continues. Inside this elegant Victorian Mansion. You'll find our library. A former ballroom, it's now home to thousands of books.

A 90 foot Victorian glass dome shelters the Winter Gardens and stands proud on the skyline.

Across both sites at the Avery Hill Campus we've spent millions on state-of-the-art buildings and the latest facilities.

The new sports centre is now one of the best equipped in the UK. Our new teaching centre houses a 1,000 foot TV studio, an interactive lecture theatre and four new clinical labs, making it a first class learning experience.

At Avery Hill our Schools cover: Architecture & Construction, Education & Training and Health & Social Care.

Over 50 per cent of our residential students live at our Avery Hill site which creates a real buzz. At its heart – is the Dome. Everything you need in one place. Live, eat, study and socialise, or simply relax... it's your time. You choose. So, whether you want to keep fit, play football, tennis, hockey, or just meet friends for a night in the Dome, there's never a dull moment.

Shopaholics should head to Bluewater. One of Europe's largest shopping centres. Or just take a short trip to the centre of London and explore one of the world's most vibrant and historic cities.

Students

"It's the best of both worlds – great location, great environment."

"Accommodation is at the heart of the campus and everything is on your doorstep."

"The facilities are really modern and up-to-date."

"There is such a mix and a diversity of things to do as well as places to go."

"First year students are guaranteed to get accommodation."
